

Milos Mirkovic

Junior FullStack WebDeveloper

As a dedicated Junior Web Developer, I'm mastering both front-end and back-end development in a one-year training program. With a strong commitment to continuous learning and collaboration, I thrive in team environments. My sports background has honed my ability to excel both independently and in groups. I am eager to progress and improve further.

EDUCATION

Full Stack Web Development DCI - Digital Carrer Institute

09/2023 - 09/2024

Berlin

WebDevelopment

- Implementation of a one-year full-time traning program.
- I developed a series of individual projects and a comprehensive final project to showcase and apply the programming skills I acquired during the course, demonstrating proficiency in various technologies and problem-solving techniques.
- Participation on German lessons (B2) as the part of the course.

Professor of Sport

Faculty of Sport and Physical Education

09/2002 - 12/2008

Novi Sad, Serbia

EXPERIENCE

Tennis Coach

Clubs, companies, self- employed

09/2002 - 04/2023

Serbia, China, Germany

experience

- I achieved a top 10 ranking among Serbian juniors during my playing career.
- I had the privilege of collaborating with national champions and professional players, enhancing my experience and expertise.
- My players have won the Serbian National Championship in junior categories over 10 times.
- National Champion with the under-18 girls' team.
- My players have represented the Serbian Junior National Team.
- I had the opportunity to collaborate within a team at a leading company based in Shenzhen, China. For more information about the company, please visit their website at www.gemdalesports.com.
- I launched my tennis school and enrolled over 20 kids in the first year.

PERSONAL PROJECTS

MentorMate - Mentoring Aplication (07/2024 - Present)

- As part of my education, I'm collaborating with a few colleagues on the final project for a mentoring application.

Igraliste, Playground , web-page on Serbian (08/2024 - Present)

- I'm currently rewriting the website for a children's playground using React. I'm enhancing the site by adding new features and functionalities, with a primary focus on making it much easier to add new content, such as images, blogs, and more. This will ensure the site remains user-friendly and easily updatable.
